

*Gemma Bolton*

Gemma Bolton did not reply to the letters from either the Labour Party LGBT Network or the Labour Women's Declaration Working Group.

However, on 12 October 2020 Gemma Bolton tweeted:

"Trans rights are human rights. At our last Regional Conference delegates declared this South East Labour regional policy by almost unanimously passing a motion in support of trans rights. I'll be raising Rosie Duffield's Times article alongside her online activity at our next REC."
